*are available*

Scan to Learn More

**The MPC Rebate is available to Michigan residents who install a new Energy Star Propane Water Heater or Boiler\* in 2024.**

## HOMEOWNERS RECEIVE:

- **\$400** When you install a new Energy Star Propane Water Heater—  
Replacing an Electric/Fuel Oil Unit or New Construction
- **\$200** When you install a new Energy Star Propane Water Heater—  
Replacing your existing propane unit

*\*Boiler must heat at least the domestic water of the home*

Michigan residents are eligible to receive a rebate when installing a new Energy Star, Propane Water Heater in 2024.

Energy Star propane water heaters offer 13% to 20% savings per year on overall energy costs and emits minimal carbon emissions (EPA) as compared to electric units.
