MICHIGAN

2024 PROPANE FURNACE SAFE INSTALLATION REBATE APPLICATION

PAGE 1 OF 2

Rebates will be issued only for NEW furnaces that are at least 40,000 BTU and Energy Star rated. Boilers are Internal Use Only: considered a water heater. Only furnaces/heaters for heating a residence are eligible. Furnaces for commercial **D** ED buildings, barns, garages, pool houses, sheds, etc. are not eligible for this rebate. Rebates will be paid until funds are depleted and will be granted on a first-come, first-serve basis. Submit this completed form with the

required documentation to the Michigan Propane Commission to the address provided (page 2). To apply for this rebate:

- 1. Complete this application in its entirety (2 pages). Please PRINT clearly.
- 2. Include a copy of the paid receipt or invoice (must be purchased June 1, 2024 December 31, 2024. Must include information on the company installing the furnace. For furnaces purchased before October 1, 2024, rebates will not be issued after December 31, 2024. For furnaces purchased on/after October 1, 2024, rebates will not be issued after March 31, 2025.
- 3. Submit proof that the furnace is an Energy Star appliance. Proof should be a photo of the Energy Star label or Energy Star documentation provided with the furnace.
- 4. Submit proof of new propane line trenched or new tank set when switching to propane. Proof should be propane company work order or invoice.

4. PROPANE SAFETY INSPECTION INFORMATION

OMMISSIØN

A Safety inspection accompanying the installation of the qualifying furnace(s) must include one or more of the following 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations, and/or 3) a flow and lock up test on the regulator(s). The Safety inspection must be performed prior to the submission of any rebate application. The purpose of the Safety inspection is to support the Commission Rebate Program rules and requirements that a safety inspection did occur as required under the rebate program rules and regulations. Licensed contractors **can** perform safety inspections. DO NOT INCLUDE A COPY OF THE SAFETY INSPECTION REPORT WITH THIS APPLICATION.

I certify that this propane furnace was purchased for installation at the above address. I am aware that proof of Energy Star and a receipt of purchase is required at the time of submission of the rebate form in order for the rebate to be accepted for review. I am further aware that no check will be issued until all program requirements have been met and the rebate has been approved. I understand, and have complied with all laws, rules and regulations governing the installation of the qualifying furnace(s) and with the manufacturer's installation instructions. The Michigan Propane Commission assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying furnace or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying furnace or the associated gas system. The Commission disclaims any liability for personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying furnace. All rebates are subject to availability. This is a limited offer and all requests will be processed on a first-come, first-serve basis. The Commission has first rights on interpretation of all terms and conditions pertaining to this offer.
