

Rebates will be issued only for NEW furnaces that are at least 40,000 BTU and Energy Star rated. Boilers are considered a water heater. Only furnaces/heaters for heating a residence are eligible. Furnaces for commercial buildings, barns, garages, pool houses, sheds, etc. are not eligible for this rebate. Rebates will be paid until funds are depleted and will be granted on a first-come, first-serve basis. Submit this completed application with the required documentation to the Michigan Propane Commission to the address provided on page 2.

Internal Use Only:

☐ ET ☐ DD ☐ ED

To apply for this rebate:

1. Complete application sections 1, 2, 3, 4, 5, and required signatures. Incomplete applications will not be processed. **Please PRINT clearly.**
2. This rebate application must be submitted within **60 days of the completed install**. Applications submitted outside this timeframe will be denied.
3. All supporting documents outlined in section 1 must be included with application.

## 5. PROPANE SAFETY INSPECTION • REQUIRED

A Safety inspection accompanying the installation of the qualifying furnace(s) must include one or more of the following 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations, and/or 3) a flow and lock up test on the regulator(s). The Safety inspection must be performed prior to the submission of any rebate application. The purpose of the Safety inspection is to support the Commission Rebate Program rules and requirements that a safety inspection did occur as required under the rebate program rules and regulations. Licensed contractors **can** perform safety inspections.

I certify that this propane furnace was purchased for installation at the above address. I am aware that proof of Energy Star, proof of propane company work order, receipt of purchase and a propane safety inspection are all required at the time of submission of the rebate form in order for the rebate to be accepted for review. I am further aware that no check will be issued until all program requirements have been met and the rebate has been approved. I understand, and have complied with all laws, rules and regulations governing the installation of the qualifying furnace(s) and with the manufacturer's installation instructions. The Michigan Propane Commission assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying furnace or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying furnace or the associated gas system. The Commission disclaims any liability for personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying furnace. All rebates are subject to availability. All applications are subject to be verified by the Michigan Propane Commission. This is a limited offer and all requests will be processed on a first-come, first-serve basis. The Commission has first rights on interpretation of all terms and conditions pertaining to this offer.
