I certify that this propane furnace was purchased for installation at the above address. I am aware that proof of Energy Star, proof of propane company work order, receipt of purchase and a propane safety inspection are all required at the time of submission of the rebate form in order for the rebate to be accepted for review. I am further aware that no check will be issued until all program requirements have been met and the rebate has been approved. I understand, and have complied with all laws, rules and regulations governing the installation of the qualifying furnace(s) and with the manufacturer's installation instructions. The Michigan Propane Commission assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying furnace or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying furnace or the associated gas system. The Commission disclaims any liability for personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying furnace. All rebates are subject to availability. All applications are subject to be verified by the Michigan Propane Commission. This is a limited offer and all requests will be processed on a first-come, first-serve basis. The Commission has first rights on interpretation of all terms and conditions pertaining to this offer.
